Charities we support

NSPCC

NSPCC

We sponsor our chosen charity, the NSPCC, and donate a percentage of every sale of our Buddy Benches back to them. Our Buddy Benches provide a place for people to make friends and engage in conversation outside their usual friendship group, no matter of age, gender, race or special educational needs.

Dogs Trust

We were also approached by the Dogs Trust to manufacture dog agility equipment for dogs of all sizes and breeds and which would not harm their paws. We now have a full range of dog agility equipment ranging from training cubes and pole jumps, to dog adventure areas and paddling pools. This range of products provides enrichment for dogs, keeping them fit and healthy while they are waiting for their forever home. We also donate 5% back to the Dogs Trust on every sale of dog agility equipment.

Award-winning market leaders in the manufacturing of 100% recycled plastic furniture which does not rot, corrode or splinter and is guaranteed for a minimum of 25 years. Furthermore, once the product has come to the end of its life, we are able to recycle this back into the extrusion process and create more products for future generations. We cater for all sectors of industry, from schools and councils, theme parks and pubs, parish councils and hospitals to fisheries, sporting clubs and re-homing centres.

Our vast range of products means we have something for everyone. Because all of our products are handmade in our UK factory, we are able to offer a bespoke service so if there is anything that you require but cannot see it on our website, give us a call and we will be happy to help.
